3.1 Ticker

1. Tap the button to turn Ticker on or off.
2. Index information is displayed.
3. Information of the Stocks added to the favorites is displayed.

The screenshot displays the MTS Web application interface. At the top, there's a header with the CSX logo, 'Market Closed' status, and 'ABC Securities Plc'. Below this is a 'Market Overview' section showing the C.S.X. index at 461.49, with a change of 0.00 (0.00%). A table follows with columns for Open, High, Low, and Volume(K), showing values for the index. Below the index table is a 'Stock' section with a table of stock symbols (PWSA, GTI, PPAP, PPSP), their prices, changes, and volumes. A 'Favorites' section is also present, showing a subset of the stock data. At the bottom, a navigation bar includes 'Home', 'Stock', 'Order', 'Balance', and a 'Ticker ON' button. Two callout boxes are present: box 2 points to the index information (C.S.X. 461.49, 0.00, 100), and box 3 points to the stock data table (PWSA 3,850, 0, 0). Box 1 points to the 'Ticker ON' button.

5.1 Order

1. Go to the Stocks search screen.
2. You can see the basic information of the Stock.

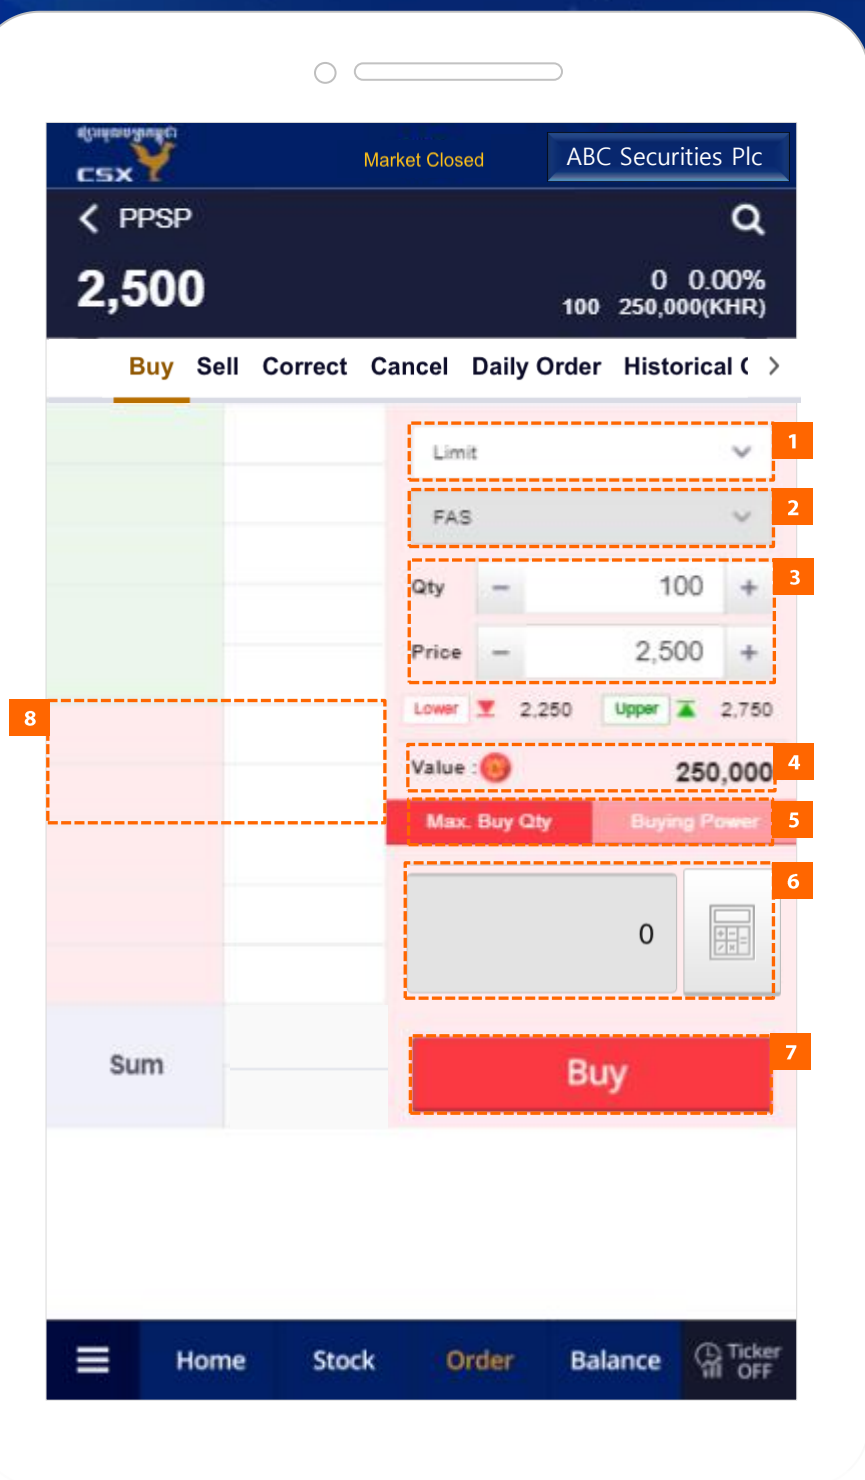

The screenshot displays the MTS Web Order interface. At the top, the header includes the CSX logo, 'Market Closed', and 'ABC Securities Plc'. Below this, the stock symbol 'PPSP' is shown with a price of '2,500' and a volume of '100' at '250,000(KHR)'. A search icon is visible in the top right corner. The main section contains a table with columns for 'Buy', 'Sell', 'Correct', 'Cancel', 'Daily Order', and 'Historical'. The table has several rows, with the last row labeled 'Sum'. To the right of the table, there are input fields for 'Limit', 'FAS', 'Qty' (set to 100), and 'Price' (set to 2,500). Below these fields, the 'Value' is calculated as 250,000. A red 'Buy' button is at the bottom right. The bottom navigation bar includes 'Home', 'Stock', 'Order' (highlighted), and 'Balance', along with a 'Ticker OFF' indicator.

6. Making Cash Deposit and Withdrawal Request

6.6 Cash Withdrawal - Check

1. Enter the ID Card Number, Withdrawal Amount and Password.
2. When you tap the button, withdrawal is requested.
3. Result of your request will be notified to you through email.

The screenshot shows the 'Cash Withdrawal' screen in the MTS Web app. At the top, it says 'Market Closed' and 'ABC Securities Plc'. The main title is 'Balance'. Below it, the 'Cash Withdrawal' modal is open. It shows the 'Available Withdrawal Amount(KHR)' as 599,982,510. The 'Withdrawal by' dropdown is set to 'Check'. Below this, the 'Withdrawal by Check' section contains the following fields:

- Trading Account Name: MREBSBEXWVGP
- Trading Account Number: 123456
- Investor ID: D12345678910
- ID Card Number (highlighted with a dashed orange box and labeled 3)
- Withdrawal Amount(KHR)
- Password (highlighted with a dashed orange box and labeled 3)
- MTS Password

At the bottom of the modal is a large orange 'Send' button (highlighted with a dashed orange box and labeled 4). The bottom navigation bar shows 'Home', 'Stock', 'Order', 'Balance' (selected), and a 'Ticker OFF' button.

8. Enabling Two-Factor Authentication(TFA)

8.5 Two-Factor Authentication Backup Code Settings

1. When the Two-Factor Authentication(TFA) setting is completed, the Backup Code button appears on the screen.
Select the Backup Code button as Use.
2. Tap the View Backup Code button to go to the Backup Code screen.
3. Tap the Save button to save the settings.

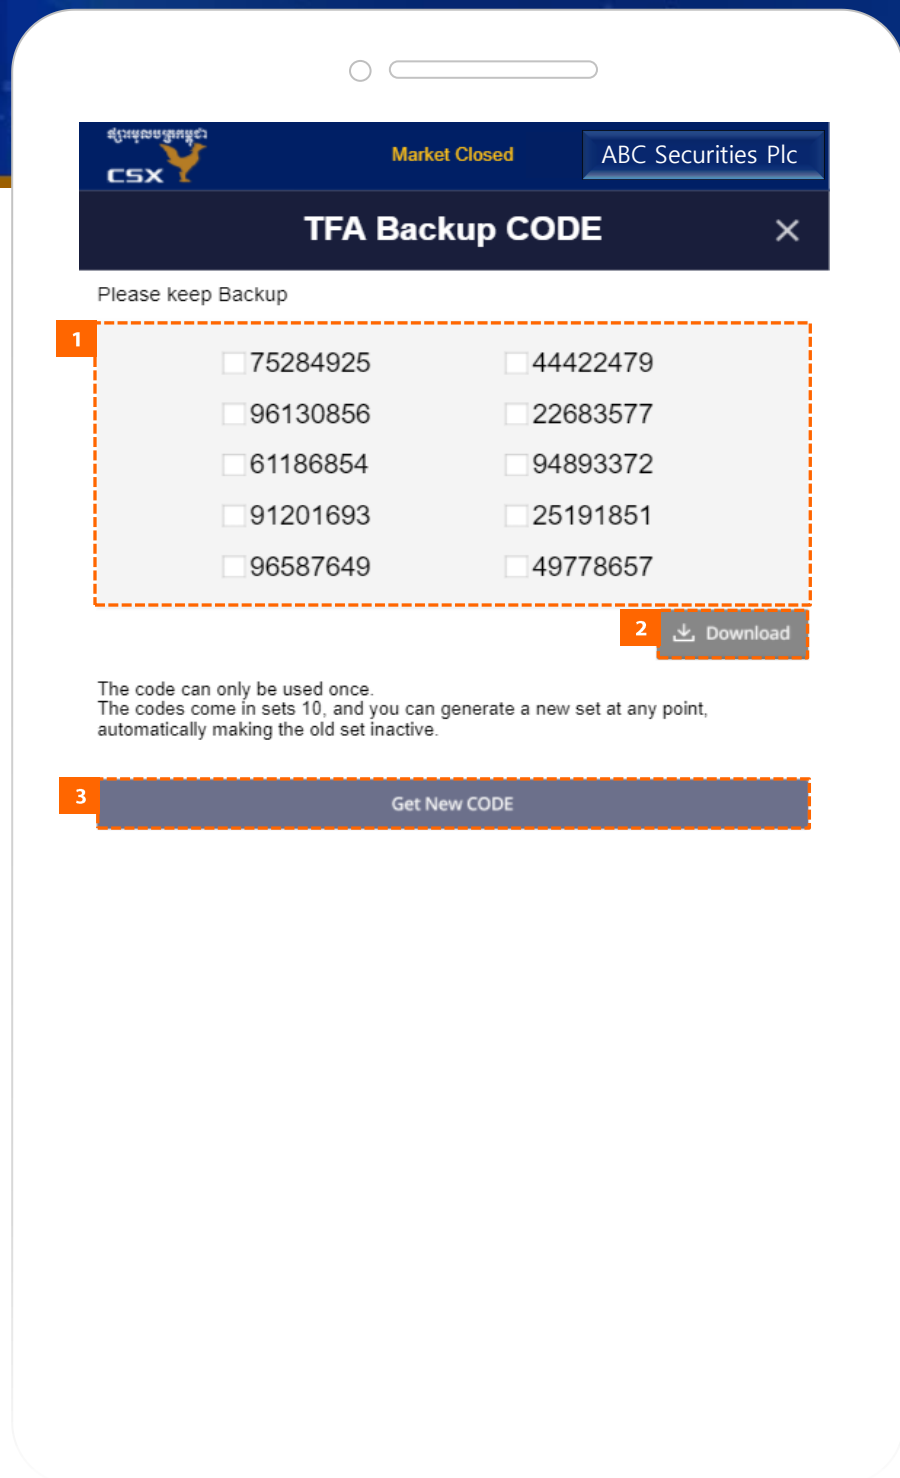

The screenshot shows the 'Preferences' screen of the MTS Web app. At the top, there's a header with the CSX logo, 'Market Closed', and 'ABC Securities Plc'. Below this is a 'Preferences' title bar with a close button. The main content area is divided into sections: 'Alert', 'Log-in', and 'Other'. Under 'Other', there are three toggle switches, all set to 'Use': 'Remember broker name', 'Remember e-mail', and 'Two-Factor Authentication(TFA)'. Below these toggles are input fields for 'ABC Securities Firm' and 'thedabora@gmail.com', followed by a 'Send Verification Code by Email' button. At the bottom of the preferences section, there are three more items, each with a numbered orange box indicating a step: 1. 'Backup CODE' with a 'Use' toggle; 2. 'View Backup Code' button; 3. 'Save' button. The bottom navigation bar includes a close button, 'Home', 'Stock', 'Order', 'Balance', and a 'Ticker OFF' button.
